Skin Packing

For your retail/showroom needs, FERSCO can skin pack bandsaws & other items for an additional fee of \$1.75 each. Call us for details.

CUTTING TOOL SAFETY DATA

Cutting Tools can shatter and/or break under severe or improper use. Wear Safety Equipment, and particularly eye protection, at all times in the vicinity of their use.

Terms and Conditions of Sale

This price list supersedes all previous lists. It is subject to change without notice. All orders are subject to acceptance by Floyd Ready Associates.

No Minimum Order

- Warranty: Floyd Ready Associates warrants our products only against defects in workmanship and/or materials under normal service, proper installation and use and is limited to the repair and/ or replacement of verified defective products. No other warranties, implied or otherwise, are extended.
- Claims: Shortages or errors in shipment, or UPS guaranteed shipments that are late, must be reported within 3 days after receipt of merchandise. Damaged shipments should be reported to the delivery agent, then reported to Floyd Ready Associates. If you receive an invoice you believe in error, call the A/R Department promptly.
- Returned Goods: All returned goods must be pre-approved by Floyd

Ready Associates and issued a R.G.A. number. The R.G.A. number must be written on the packaging and the packing slip, including an explanation for returning. Return charges must be prepaid. If credit is authorized, it will be issued on current items at price paid, less 15% restocking charge. Reasonable packaging and reconditioning charges may be added, if necessary.

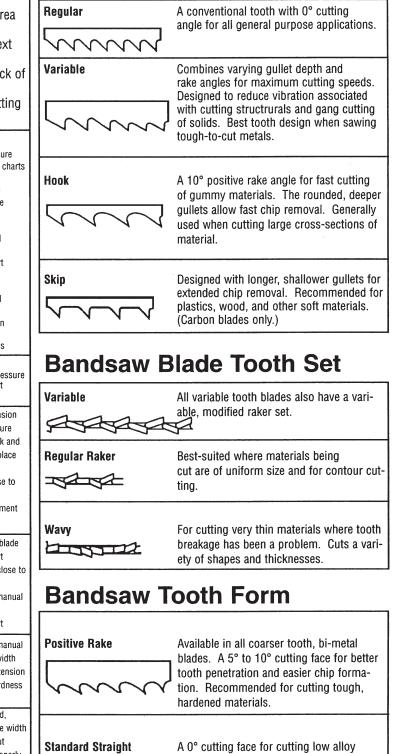

- Terms of Payment: Net 30 days. 2% discount off of merchandise if paid within 10 days. Due date, discount date, and discount amount are stated on invoicing. Accounts over 30 days may be subject to a service charge of 1-1/2% per month and accounts over 45 days may be placed on shipment hold. \$25.00 fee for NSF checks. We accept MasterCard, VISA and Discover.
- Freight Allowances: For shipments within the 48 continental states totaling \$600.00 net or more, except for air freight charges. Coolant & Cutting Oils are F.O.B. Jackson, MS.

Carbide Grit Edge

Carbide Grit super bonded to a quality steel back. This is a blade for tough alloys, abrasive materials, and most composites. Use Carbide Grit Edge where traditional toothed blades do not work or if they wear too quickly to be cost efficient.

| Width | 1/4" | 3/8" | 1/2" | 3/4" | 1" | 1-1/4" | 1-1/2" |

Bi-Metal M-42

M-42 high speed steel cutting edge welded to a high quality steel back. This is a production cutting blade ideal for harder, more difficult to cut materials with grater ability to withstand abrasion and best on solids.

Carbon Hardback

High carbon alloy steel. Ideal for applicatins where straighter cuts and heavier down feed pressure are required of cutting mild steel, non-ferrous product, and wood. Not recommended to run over 4,000 sfm.

Double Edge

| Width | 1/4" - 1/2" | 5/8" | 3/4" | 1" |
|---------------|-------------|--------|--------|--------|
| Thickness | .020 | .020 | .020 | .020 |
| Cost per foot | \$1.32 | \$1.38 | \$1.54 | \$1.61 |

Available in both 250 ft. Coils and Welded to Length blades.

TO FIGURE COST:

FOR a 250' coil multiply 250 x cost per foot

FOR welded blades multiply length of blade rounded up to the next half foot or the next full foot x cost per foot, then add \$4.62 weld fee

Double Edge

Portable Bandsaw Blades

Bi-metal M-42

Variable tooth. Super heavy duty M-42 high speed steel cutting edge ideal for difficult to cut materials where quality and high performance is a priority.

| Part # | Size | Quantity | Tooth Size | Cost Ea. |
|----------|-----------------------|-----------|--------------|----------|
| FPM27XX | 27-3/16" X 1/2" .020 | 5 PER BOX | 12/16, 14/18 | \$10.62 |
